CAIRNS &  
GREAT BARRIER REEF

# WELCOME FROM THE HON. STIRLING HINCHLIFFE MP

TOTT2022\_V4

Welcome to Tour of the Tropics, a wonderful opportunity to immerse yourself in Tropical North Queensland's local culture and community, and hopefully explore some of the superb tourism experiences on offer here.

The impacts of the pandemic have provided incredible challenges, but thanks to the hard work of Queenslanders our state was one of the first to put in place a COVID Safe Event Framework which paved the way for events such as this one to take place.

The Queensland Government is proud to support Tour of the Tropics, through Tourism and Events Queensland's Destination Events Program and it is a feature on our It's Live! in Queensland events calendar. Events are an important part of our state's economic recovery from the pandemic because they attract visitors to the region which stimulates the local economy and supports local jobs. Events are also an important opportunity for communities, friends, families and visitors to come together, creating community pride and reconnecting us.

Congratulations to the event organisers and all those involved in organising this event – may it be a successful one.

If you are visiting for the event, I encourage you to make some time to explore the diverse tourism experiences on offer in this beautiful region.

**The Hon. Stirling Hinchliffe MP**  
**Minister for Tourism, Innovation and Sport and Minister Assisting the Premier on Olympics and Paralympics Sport and Engagement.**

# WELCOME FROM THE RACE DIRECTOR

TOTT2022\_V4

Four years on and the Tour of the Tropics has truly established itself on the cycling calendar and we look forward to your company of the coming days.

Despite the challenges presented to us in 2021, Cairns has been in a privileged position of recent months, avoiding the deluges and restrictions suffered by our Southern counterparts. Given the previous restrictions of international travel, homegrown tourism has presenting a new life blood for the region. Never have I seen the region so busy. This is a result of the community focusing on supporting small businesses and travelling in their own backyard. It is this support that makes the Tour possible.

The Tour of the Tropics was conceived on the idea of establishing a regional cycling destination and to provide an event that brings all levels of cycling together, while also displaying the highlights of our winter wonderland.

Each year we look to step up the event in aim of being the pinnacle of domestic cycling. In 2022– Tour of the Tropics has developed into a true cycling festival, experienced over 2 weekends. Festivities will look to embrace all things cycling, commencing with a Gran Fondo and will include midweek cycling activities including track racing, before concluding with the main event. The desire to develop our event has further been supported by AusCycling, with additions to the programme including Junior State Championships, NRS Women and the newly established National Junior 19 Road Series.

This year, cyclists will be challenged by a collective of familiar courses experienced over previous episodes and new. Starting in the Atherton Tablelands and concluding on the Cairns Esplanade, the profile of each stage favouring different riding strengths.

We are particularly grateful to Cairns Region Council, Tablelands Regional Council, TEQ & TTNQ, who have once again supported us with our endeavours to develop this event.

As with all events of this nature, an enormous amount of work has been carried by an amazing team of individuals. I cannot thank them enough for their endless voluntary hours. This thanks is also extended to our tour sponsors and partners and volunteers – with notable mention to the Cairns Cycling Club.

And finally on behalf of the Tour of the Tropics Team, we wish you the riders, the very best of luck and hope along with your families, you enjoy all that the region has on offer.

## REGULATIONS & CODE OF CONDUCT

### TECHNICAL REGULATIONS

The race will be conducted under the rules and regulations of AusCycling. The AusCycling scale of penalties will apply. For more information, please refer to the AusCycling website [www.auscycling.org.au](http://www.auscycling.org.au)

### TYPE OF EVENT

The race is held as an Open event and the feature event of the Cairns Road Cycling calendar. The stage race is conducted under the direction of the AusCycling Road Commission with the aim of improving the standard of regional and stage competition and creating a stepping stone for riders looking to compete Nationally.

### PARTICIPATION

The following race categories are on offer:

- |  |                   |
|--|-------------------|
| 1. <b>NRS MEN</b>                          | 6. <b>A GRADE</b> |
| 2. <b>J19 MEN</b>                          | 7. <b>B GRADE</b> |
| 3. <b>NRS WOMEN</b>                        | 8. <b>C GRADE</b> |
| 4. <b>J19 WOMEN</b>                        | 9. <b>D GRADE</b> |
| 5. <b>JSC – JUNIOR STATE CHAMPIONSHIPS</b> |                   |

All J17 aged riders must compete in State Championship events and are not able to compete in Graded Racing.

At the discretion of the organisers – where participation numbers are less than 12 – grades may be combined for logistic reasons.

### NEUTRAL RACE CONTROL

Greenhill Stage will operate under neutral race control until the riders reach the start finish line to ensure a safe start.

### CONVOY CODE OF CONDUCT

All drivers in the convoy must adhere to the Convoy Code of Conduct. Refer to Appendices

### CONVOY VEHICLES

Only official vehicles will be permitted to be in the convoy. Appropriate identification for the vehicle will be supplied by the event organisers.

All other vehicles will be requested to leave the convoy by race officials and Queensland Police.

### RIDER SUPPORT VEHICLES – NON CONVOY

Individual riders will not be permitted to have a vehicle within the official race convoy.

Vehicles are not permitted to follow the race convoy unless registered in the **NRS** race.

Penalties will be imposed on those who choose to ignore this rule.

## REGULATIONS & CODE OF CONDUCT

### NEUTRAL SPARES

#TOTT22 Event will not be providing a neutral spares vehicles for graded events.

It is strongly recommended all riders carry a pump and spare tube should you fall behind the spares vehicle.

Remember, support vehicles for graded riders will not be allowed to follow the race convoy. This will be managed by Queensland Police

### RACE NUMBERS

Riders must wear two body numbers (one for the Time Trial) and carry a frame number fixed to the rear brake bridge, or base of the seat post.

- Frame number must be positioned as low as possible at the rear of the bicycle
- Body numbers must be separated by one hand width

Numbers may not be cut, folded or modified in any way. Penalties will be imposed on those who choose to ignore this rule

### TRANSPONDERS

All riders will be required to fit an electronic transponder as indicated below for the race. Please return transponders to the finish line at the completion of the tour. Any rider failing to return their transponder will incur a \$50 administration fee. Lost or damaged transponders will result in a replacement penalty of \$150.

### TT BIKES

#### NRS MEN, J19 MEN, NRS WOMEN, J19 WOMEN

TT bikes, clip on bars and disc wheels are not permitted to be used for any stage.

#### JSC (ALL AGES)

Clip on bars are permitted to be used for the ITT stage only as per AusCycling Technical Regulations.

#### A, B, C, D GRADES

Riders competing in all graded events are allowed to use any equipment that is compliant with UCI and AusCycling Time Trial Regulations. Riders who are found using non-compliant equipment will still be allowed to start and be given a time but will not be eligible for prizes or series points.

### SIGN-ON - ALL RIDERS

All riders will be required to sign on before the race from 60 minutes prior to race start and up to 15 minutes prior to race start. Sign-on will be located on the start line.

## REGULATIONS & CODE OF CONDUCT

### EVENT SIGNAGE

Please refer to the Appendix for on-course signage samples.

### PRESENTATIONS

A presentation ceremony will take place as soon as possible after the finish of the race at the finish location. Riders are to present themselves to event staff located at the marquee adjoining the presentation stage immediately after the stage finish. Final presentations of the day will include overall presentations.

If a rider fails to present themselves for presentation the rider will be penalised.

### FEEDING

Feeding will only be allowed after 30km from the start and up to 20km from the race finish.

All official vehicles including all commissaire vehicles, neutral service, medical and sag wagon will all carry neutral water.

Distances from the start and finish may vary depending on the weather.

Riders will only be permitted to feed at the feed stations. See Appendices – Race Details

### WATER

Riders will need to provide their own supplies of water.

### PENALTIES

UCI/AusCycling scale of penalties will apply.

### LITTERING

A designated litter zone will be located within 500m of each start/finish. Each litter zone will be appropriately signed.

Riders must not discard bidons or litter in any other area of the course. Riders must take responsibility for their own litter and retain it until the next litter zone.

Riders found to be littering will be fined in accordance with local laws and technical regulations.

### TOILET BEHAVIOUR

Riders are advised that it is an offence to urinate in public. Penalties will be imposed on those who choose to ignore this law.

Toilets will be provided at Start and Finish of each stage.

Riders are asked to not use local trader's facilities.

## ROAD CLOSURES

Tour of the Tropics Stages 1,2 & 3 are being held on semi -open roads. Traffic will be restricted – however residents are free to commute on these roads. They have been requested to travel in the same direction as the race. The roads being raced on are generally narrow rural roads within Sugar Cane farming. Farm equipment may be moving in the area.

Dedicated cane rail crossings operate on the course, and while all train level crossings are signed, some minor road crossings do not have flashing lights. Vigilance is to be take when approaching these crossings. Rider briefing will identify if there is any expectant hauling in the area. Riders are to give way to all cane movements.

Queensland Police, along with commissaries will monitor and issue infringements to riders not obeying Queensland road rules when applicable.

TOTT and Queensland Police have worked closely over the years to develop a safe strategy to deliver the Tour of the Tropics. It is critical that riders obey instruction from Queensland Police and the Race Directors Team.

Queensland Police have the power and have indicated that the race will be abandoned if riders fail to obey instructions when it comes to managing the race.

## PRIZE MONEY

Riders will be contacted post Tour for payment details.

Prize money to be confirmed.

### **CAIRNS REGIONAL COUNCIL - FIRST CAIRNS RIDER**

## CONVOY CODE OF CONDUCT

The Convoy Code of Conduct applies to all vehicles involved in Race Convoy operations whether involved with the conduct of the race itself or while performing a role that interfaces with the convoy operations and/or occurs within the race envelope:

JUDGES, COMMISSAIRES CARS & MOTORBIKES  
MEDIA/PHOTOGRAPHER & BROADCAST CARS  
MOTORBIKES  
MEDICAL CARS  
RACE DIRECTOR VEHICLE  
TECHNICAL DIRECTOR VEHICLE  
NEUTRAL SUPPORT CARS & MOTORBIKES  
POLICE CARS & MOTORBIKES  
MOTO SCOUTS  
LEAD CAR & SAG WAGON

### COMPULSORY CONVOY BEHAVIOURS

Note: the term 'vehicle' refers to both cars and motorbikes.

Note: the term 'driver' applies to both car drivers and motorbike pilots

1. All drivers must attend the Convoy Operations Meeting to undergo a race specific convoy operations briefing. Date and time will be detailed in the Tech Regs. If this meeting clashes with other activities, it is the responsibility of the driver to liaise with the Chief Commissaire to receive these instructions separately.
2. Failure to attend the Convoy Operations Meeting or actively seek out these instructions may result in not being able to start.
3. Misconduct in the convoy will result in a 'yellow card' warning being issued. Misconduct that breaches CA regulations will be disciplined by the Chief Commissaire. Misconduct that breaches overall race safety and integrity will be disciplined by the Race Director and/or the Police as appropriate.
4. At the head of the Convoy is the Police vehicle marked Pilot/Lead. Vehicles ahead of this vehicle are considered out of the Convoy.
5. The tail of the Convoy is the Police vehicle marked Tail End Car. Vehicles behind this vehicle are considered out of the Convoy.
6. Drivers (particularly cars) must gain permission to pass any large group of riders from the Commissaire behind that group.
7. When passing through the convoy, vehicles must only travel marginally faster than the riders, and use short sharp toots of the horn to indicate passing. Drivers must check mirrors before deviating left or right.
8. Wherever possible vehicles should pass the riders on the right hand side of the riders as per normal Australian road rules. When passing on the left hand side, drivers must use extreme care and ensure that the rider is fully aware of your intentions to take the inside line. Drivers must check mirrors before deviating left or right.
9. When travelling within the race envelope, you must not travel more than 20km/hr above the speed of the race. Due to high density foot and vehicle traffic, particularly around schools and shopping strips, safety is paramount. To travel any more than 20km/hr above the speed of the race, is dangerous, unnecessary and unacceptable. Unnecessary speeding will be severely dealt with.
10. When travelling outside the race envelope drivers must obey all normal road rules and posted speed limits. The Tail End Car will endeavour to wait for any vehicle stopped (to service a rider, roadside repairs, call of nature) however, extended delays create the risk of leakage from other road users into the envelope, which in turn puts the entire convoy at risk. Extended delays cannot and will not be accommodated. Failure to obey road rules once outside the race envelope may result in infringement notices (fines) being issued by the Police.
11. Vehicles must not overtake riders within the final 1km approach to a sprint, KOM/QOM or within the final 10km of a stage finish line.
12. All convoy cars must deviate at the designated deviation point at the finish line under the direction of the Technical Director. Exceptions to this rule are the Commissaires, Broadcast Motorbikes and Sag Wagon.
13. All vehicles must drive with dipped headlights. Do not use flashers and indicate to turn only.

TO BE CONFIRMED

### ROAD CLOSURES

Residents encountering the convoy simply need to wait on the roadside for the convoy to move past quickly and follow instructions. Most times a wait of two to three minutes is all that the motorists will have to endure. We thank you for patience.

If you somehow become entangled in a race, here are five simple guidelines to follow:

1. Switch on vehicle hazard lights and start to slow
2. Move to the left-hand side of the road slowly (after checking there are no bikes to your left)
3. Wind down the windows and if need be signal with your arm your intention to move to the left hand side of the road (as cyclists cannot always see your lights)
4. Stop your vehicle off the road if safe
5. Do not proceed again, until the last Police vehicle arrives

### Residents of the affected roads

It is requested that residents travel in the direction of the event as indicated on the map above to avoid conflict with cyclists.

### FULL ROAD CLOSURES

Residents affected by road closures as documented in this brochure are reminded of the following information:

During the road closure all driveways will have a traffic cone placed centre of drive to remind residents of the road closures, residents needing to enter or exit their properties will be required to call the event mobile number provided where egress will be attempted to be coordinated between events (typically on the hour from 10am). It is recommended vehicle movement during the time of the event be avoided.

\*Emergency services will not be affected and will have full access.
